A WORD FROM OUR DIRECTORS

We have excelled yet again on many a terrain this year. We are extremely proud of every parent, every learner and every teacher for their commitment and passion towards our school!

31 years ago, our beloved Mr. Vernon Botha founded our school- a humble interjection into the academic progress of traditional Black children in the Harrismith area. His vision and passion for Education has been transformed into a very successful New Horizon College, boasting two campuses (Harrismith – since 1994 - and Bethlehem since 2014) catering for Pre-School, Primary School and Secondary School learners with boarding facilities.

More importantly, we keep up his promise to produce excellent results in Grade 12 every single year – making us one of the top schools in the Free State.

Just look at these Grade 12 results over the past few years:

We, as directors would like to extend our utmost appreciation towards past and current staff members, parents and students. You have made it possible for us to be what we are!

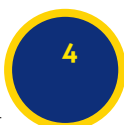

We cannot express in words, our appreciation towards the Free State Department of Education, for the support that they have given us over the past years. We are convinced that other Provincial Departments of Education can learn from the support the FSDOE gives to independent schools in the Free State province.

At the same time we need to thank the FSJLC (Free State Joint Liaison Committee) for leading all Independent Schools in our dedicated relationship with the FSDOE!

Above all, we thank God for His daily influence in our school. We are not afraid to proclaim our Christianity, and although we go out of our way to accommodate other religious groupings, our core will always be founded in the One and Only God Almighty and our saviour, Jesus Christ.

If you are a newcomer to our family, WELCOME! You have made the right choice. If you are a loyal supporter for a short while or an extended period, we look forward to embracing the academic future and holistic development of your child for years to come!

ASTRA ASCANTIA!
